

Amendments to the Drawings:

The attached drawing sheet(s) contain Figures 1-8 for entry into the application.

REMARKS

By this paper, the present application has been amended to include 8 (eight) sheets of drawings. The Decision Granting Petition (mailed August 30, 2004) indicated that, since the present application is a continuation of US patent 09/944,221, the complete contents of which were incorporated by reference at the time of filing, the present application can be amended to include the 8 sheets of drawings that were present in 09/944,221. Applicant respectfully submits that the drawings do not constitute new matter, being copies of the drawings of 09/944,221, and respectfully requests their entry into the present case.

The application contains claims 23-56.
